Number of Registered Participants: 103

In view of World Osteoporosis Day, which was celebrated on 20th October 2022, Community Physiotherapy Department organized a free physiotherapy health checkup camp and free bone mineral density (BMD) checkup camp. Our main aim was, analyzing health status of employees of TMV with respect to BMI assessment, Hand Grip Strength Measurement, FRT, flexibility test, and assessment of QOL. This camp was also focused on free checkup of Bone mineral Density (BMD). We have evaluated total 103 employees of TMV and also gave them Physiotherapeutic guidance in accordance with T Score of BMD checkup.

Guest lecture was organized on Awareness of Prevention of Osteoporosis by Dr Sujit Kadrekar (M.B.B.S, DNB ortho, fellowship in shoulder surgeries, and fellowship in arthroscopic and joint replacemenr surgeries)

Overall camp was successful .It was well received and appreciated by participants.
