On the occasion of International Women’s Day , department of Community Physiotherapy had organised a lecture by renowned Gynaecologist, Dr. Meenakshi Deshpande on the topic of ‘Women’s Health and Society: A holistic Perspective ’.

The event started with introduction and felicitation of our guest speaker Dr. Deshpande. This was followed by guest lecture by Dr. Deshpande. Dr. Deshpande’s lecture covered ‘women’s health’ holistically. She went on to speak about impact of women’s health on Indian families, what we as society need to change to uplift our women and what are the issues of the current adolescent generation. All the students of Bachelor’s of Physiotherapy course attended this event. The staff of Physiotherapy college were also present for the lecture. At the end of the lecture series, there was a question answer session which cleared various doubts. The event was concluded by a vote of thanks to Dr. Meenakshi Deshpande ma’am.
