

Estd. 1921

INFRASTRUCTURE

1. Campus-

- **Main Building:**

The oldest two storied building has Central Administrative and Finance Departments on the first floor. On the Ground floor are the offices of Vice-Chancellor, Registrar, two meeting halls and Reception.

- **Educational Complex:**

The complex is split into multistoried buildings. This complex has all the academic departments. Departments having statutory council approval, have demarcated class rooms, laboratories, and departmental offices, etc. Distribution of the class rooms as per the time tables is taken care of by Administrative Department. The Educational Complex especially has the OPD and Massage Centre of Ayurveda Department. Well-equipped labs with latest amenities are provided for Hotel Management students which include Basic Training Kitchen, Advance Training Kitchen, Quantity Training Kitchen and Bakery. Vidyapeeth also has well set-up Training Restaurant, Housekeeping and Front Office Department for imparting practical knowledge for students of Hotel Management. The Department of Computer Science, Mass Media and Animation have latest computers and software's. The Nursing and Physiotherapy Laboratories have stimuli models.

Thus, Vidyapeeth academic departments have well developed infrastructural facilities which are adequate for smooth functioning and optimal utilization is done for the purpose of education.

- 2. Lecture Theatres-** Each classroom is well-lit having comfortable seating arrangement. The atmosphere is impregnated with vibrations of knowledge. Several classrooms are equipped with Laptop and DLP facility which helps faculty for Guest lecturers for PowerPoint presentation.
- 3. Seminar Hall & AV Room -** Besides regular classroom teaching, the Vidyapeeth take efforts to provide exposure to the students to various fields. The exposure is by means of various seminars, presentations, workshops and so on. For this the students have the seminar hall and A/V room with modern facilities.
- 4. Laboratory-**The Vidyapeeth encourages the students of various courses to make extensive use of laboratories related to their respective courses. Different laboratories for Computers, Languages, Mechanical, E&TC, Psychology, Physics, Chemistry and that of Nursing and Physiotherapy are specious with latest equipments.

5. Fitness Zone-Our sports committee helps the students re-energize themselves by organizing sports activities. The students are given a free hand to organize various activities in the institute under the able guidance of the teachers. This helps in promoting leadership and organizing capabilities as well as imbibing unity, discipline and culture amongst the students. Yoga course of one month duration is conducted for students and teachers.

6. Sanitation and Water supply-

- Adequate sanitary facilities
- Safe & Continuous Water supply
