Introduction

International Students' Cell at Tilak Maharashtra Vidyapeeth organized a Heritage Visit to two of Pune's most iconic historical landmarks, Kesari Wada and Pataleshwar Temple, on Friday, 15th of November 2024. The event was a part of the department's ongoing activities aimed at promoting cultural exchange and enhancing the international students' understanding of Indian heritage. The visit served as an enriching educational experience, enabling the students to explore the historical significance of these sites and their contributions to India's cultural narrative.

- **Importance of the Visit**

The heritage visit held immense importance, particularly for the international student community at TMV. Kesari Wada, known as the former residence of Lokmanya Bal Gangadhar Tilak, is a symbol of India's freedom struggle, showcasing artifacts and historical documents from the pre-independence era. Pataleshwar Temple, on the other hand, is an ancient rock-cut cave temple dedicated to Lord Shiva, dating back to the 8th century.
