P R E F A C E

I am pleased to introduce this year's Annual Report (1st April 2023 to 31st March 2024) of the Vidyapeeth in compliance with Rule No. 12 (1) d-vi) of the Constitution of the Vidyapeeth which illustrates our commitment to advancing excellence in education and research.

In pursuit of excellence, our Vidyapeeth has taken different initiatives and organized several events and programs throughout the year. We had the privilege to meet and interact with eminent personalities. I would like to especially acknowledge the contribution of all the experienced and dedicated faculty and administrative staff to make the year successful.

This annual report is the gist of all the activities carried out during the year.

Last but not least, I express my gratitude to all those who whole heartedly contributed to preparing this Annual Report.

Place: Pune

Date: 30 /08/2024

Prof. (Dr.) Suvarna Sathe
Actg. Registrar

To impart national education through a fine blend of traditional and modern knowledge as well as to democratize quality higher education by empowering the masses and reaching the unreached.

- To create autonomous, creative, analyzing, and practical intelligence.
- To strike a balance between quality and affordability.
- To equip and update with skills and knowledge to face global challenges.

In keeping with Vidyapeeth's founding principles, what defines its character and ethos, we commit ourselves to the following core values: **SCALE**

Student Success: Meeting student needs by creating an educational environment in which Students can attain a variety of goals enhancing employability and entrepreneurship (Swadeshi).

Collaboration: Seeking input from all sectors, including industry and the community, to work toward achieving common goals while valuing teamwork.

Accountability: Achieving accountability at all levels.

Life-long Learning: Encouraging enthusiastic, independent thinkers, and learners striving for personal growth.

Empathy: To create awareness about the weaker sections of society and offer solutions to improve the quality of their life.

FROM THE DESK OF THE VICE-CHANCELLOR

Dr. Geetali Tilak

Tilak Maharashtra Vidyapeeth has a rich legacy of 100+ years in the education field. We stand as a premier university in Maharashtra. We have continually adapted to the evolving needs of society and played a vital role in nurturing and developing young minds. We are steadfast in our dedication to nation-building through the quality education of the young minds of our country.

Our commitment lies in creating and providing knowledge across various disciplines. In alignment with this vision, we have embraced the New Education Policy (NEP 2020) in our teaching methodologies, beginning with the academic year 2023-24. Our curriculum has been thoughtfully revised to incorporate key elements of the policy, including a multidisciplinary framework, holistic development, professional skill enhancement, the integration of Indian knowledge systems, and a firm commitment to outcome-based education.

Our educational approach combines theory with practice. We provide hands-on opportunities through internships and strong connections with industry. We strive to create a supportive environment that encourages students to discover and develop their natural talents. Our professional courses are meticulously designed to be both rewarding and career-enhancing, significantly boosting student employability.

Our commitment to achieving higher standards in teaching, research, and social responsibility remains unwavering. We actively encourage research, publications and collaborations among our faculty and students.

The academic year 2023-24 has been marked by the attainment of new quality benchmarks for our university. This report highlights the key achievements of the year and offers a glimpse into our journey toward excellence. I invite you to explore these accomplishments and join us in celebrating our continued dedication to academic and professional excellence.

ACADEMIC EXCELLENCE

Academic excellence is achieved through:

- A well-designed curriculum that balances theoretical knowledge with practical application
- Utilizing diverse teaching strategies, including interactive and experiential learning
- A supportive environment that fosters curiosity, critical thinking, and innovation
- Continuous and creative assessments and constructive feedback to identify areas for improvement and progress.
- Embracing new technologies and methodologies to enhance the learning experience and keep education relevant and effective.
- Effective implementation of NEP 2020.

At TMV, we offer programmes that have been curated to create a global class of pioneers, researchers and experts, who are prepared to confront the challenging and competitive world. Our focus remains to provide skills-based education to students to give practical and industrial exposure to gain a strong conceptual understanding and develop innovative techniques. Creating abilities and acquiring intellectual proficiencies. The programmes are carefully designed to bridge the growing demand-supply gap in industries across the world. The skill sets are delivered to the students in the best possible time and environment to meet industries' needs.

Tilak Maharashtra Vidyapeeth is committed to implementing the New Education Policy (NEP) 2020 to enhance the educational framework. We have taken significant steps to align our programs with the NEP's guidelines, including revising our curriculum to integrate multidisciplinary approaches, enhancing vocational training, and incorporating flexible learning pathways aligned with the needs of the 21st century.

NSS unit of TMV has adopted a remote village Singapur in velhe taluka of Pune district. The village is blessed with a pristine ecosystem and biodiversity. A 7-day camp was organised in the village to achieve our objectives of promoting community service and development. A residential camp was organised from 24th February 2024 to 1st March 2024. The diverse range of activities arranged during the camp includes lectures on entrepreneurship development, tourism development, the Indian Constitution and Panchayati Raj, and the Swachh Bharat Abhiyan. Other activities included street plays addressing village challenges, a special health check-up and eye check camp, a trek to the historically and culturally significant Linga Plateau, the Gram Swachhata Abhiyaan, physical games, and cultural performances featuring traditional songs and dances. The camp left a lasting impact on both the volunteers and the village residents. The NSS unit of TMV remains committed to developing a spirit of cooperation, learning, and social responsibility among students through such activities.
