

Tilak Maharashtra Vidyapeeth, Pune

Our forefathers and nature, have bequeathed us with a rich heritage. But how much do we understand what 'heritage' means? Know more about the term heritage and its scope in India and abroad, how it is managed professionally across the globe and of course how it could be professionally managed in India!

Anand Kanitkar is an Indologist and heritage consultant who has worked with national and international organisations.

Thanks,
Dr. Manjiri Bhalerao
