

Dear Students,

As part of the curriculum, the student of the M.Com course is required to undertake Project Work in the second year (Semester IV) for the period of two months.

The key objective of the Project work is to develop the analytical ability, problem solving skill with the help of necessary statistical tools and techniques to solve the organizational problems.

In order to select appropriate topic for the Project and to complete it in a stipulated period of time, students should plan the activities in systematic way under the guidance of the Project Guide.

We have provided you a suggested list of topics/broad areas for project work. However student can select any topic of his/her interest relevant to his/her specialization area (e.g. Marketing, Finance, Banking etc) after discussing with his project guide.

You are requested to go through the guidelines of the Project Work and follow the procedure.

Project Work is of total 100 marks

Project - 60 Marks

Viva-Voce- 40 Marks

Wishing you all the best for the Great Project!!!

Thanking you.

Enclosed: - Guidelines
