Testimonials

Firstly I would like to thank you for the great opportunity you gave me to share my experience and moments of studies at the vidyapeeth.

As a BCA student, I cannot express my gratitude for how helpful and patient the faculty members are. They do not just teach us for the approaching semester exams, but also train us for what we will face after college .Apart from this, what I am grateful for is the individual attention we get from the knowledgeable teachers to ensure that we are meeting our potential, which is essential at any educational institution.

2020 Batch

It was a great time we spent in Tilak Maharashtra Vidyapeeth. The relationship between faculties and student is very cordial and campus environment is very positive. TMV has made the best efforts to provide all the facilities for the students like faculties, cultural, technical and non-technical events etc.

Last but not the least special thanks to MCA Department for giving such a good knowledge and guidance which will help me to make my future better.

(2019 Batch)

I was fortunate enough to have studied from Tilak Maharashtra Vidhyapeeth in 2016. It was a good time I spent over here. I have completed Post Graduation Diploma in Cyber Security, It was full of learning and grooming oneself experience. The relationship between faculties and student is gracious. The Professors were very knowledgeable, they helped me a lot to clear the basic concepts and sharpening my skill set in cyber security.
