

Patrons

**Dr. Deepak Tilak**

Vice Chancellor, Tilak Maharashtra Vidyapeeth, Pune

**Dr. Umesh Keskar**

Registrar, Tilak Maharashtra Vidyapeeth, Pune

Convener

**Dr. Shrikant Karlekar**

Head, Department of Earth Sciences,  
Tilak Maharashtra Vidyapeeth, Pune

Organizing Secretary

**Dr. Lakshmi Dhavalikar**

Joint Organizing Secretaries

**Dr. Bhagyashree Yargop**

**Dr. Pradyumna Joshi**

**Dr. Surendra Thakurdesai**

**Dr. Sunil Gaikwad**

**Dr. Tushar Shitole**

**Dr. Anita Shukla**

Advisory Committee

**Dr. Vijay Karekar**

Dean, Faculty of Moral and Social Sciences,  
Tilak Maharashtra Vidyapeeth, Pune

**Dr. S. N. Raiguru**

Retd. Jt. Director, Deccan College, Pune

**Dr. Ashwini A. Kulkarni**

Sr. Scientist Tropical Meteorology Department, Pune

**Dr. A.R. Gujar**

Chief Scientist (Retired), National Institute of Oceanography (NIO)

Dona Paula (Goa) – 403004

**Dr. G.N. Nayak**

Prof. and Head, Dept. of Marine Sciences, Goa University, Goa

**Dr. N.Chandrasekar**

Prof. & Head, Centre for Geotechnology, M.S. University,

Tirunelveli – 627012

**Dr. P.T. Hanamgond**

Dept. of Geology, G. S. Science College, Belgam

**Venue**

Auditorium, 7<sup>th</sup> floor,

Tilak Maharashtra Vidyapeeth Campus

Mukundnagar, Gultekdi,

Pune - 411037

## About the Conference

A two day National Conference on 'Modern Trends in Coastal and Estuarine Studies' is planned to be held at the Department of Earth Sciences, Tilak Maharashtra Vidyapeeth, Pune. The conference shall provide a forum for Geographers, Coastal Managers, Planners, Scientists, Engineers and Academicians across the country to discuss and deliberate on new concepts as well as present and future trends in coastal estuarine studies.

In the absence of precise analytical tools and techniques coastal studies were inevitably conjectural and subject to varying interpretations till recently. These subjective interpretations are now being questioned on the basis of results obtained by the application of modern techniques in coastal issues. The coastal geomorphological studies at present are more focused. The level of understanding of coastal processes in general and beach, dune estuarine processes and environments in particular has certainly improved in last decade or so. Considerable research efforts are directed towards data building using modern field and laboratory techniques.

The objectives of the proposed conference therefore are to offer a forum for discussions and exchange of ideas and new findings in coastal and estuarine studies.

## Call for Papers / Poster Presentation

Organizing Committee invites research papers and poster presentations on the topics below.

1. Coastal Processes
2. Coastal landforms
3. Holocene Sea Levels
4. Morphology of Estuaries and Tidal Creeks
5. Tidal and Sedimentary Processes in Estuaries
6. Mudflats, Salt marshes and Mangrove Swamps
7. Human Impact on Coasts and Estuaries
8. Fieldwork and Field Data Generation in Coastal Areas and Estuaries
9. Use of Remote Sensing and GIS in Coastal and Estuarine Studies
10. Coastal Environmental Degradation & Conservation
11. Protection and Development of Coastal Areas

## Guidelines for paper and Poster Presentation

Abstract of the paper to be submitted and posters to be presented should not exceed 300 words. The full length paper not exceeding 2000 words. Volume of abstract will be given on the conference day. Department will publish the selected full length papers in ISBN numbered volume of proceedings. Authors of the papers to be published will be contacted for completing procedural formalities. Abstract and full length paper should be sent on

Email -(1) earthsciencesconference2014@tmv.edu.in

(2) shrikantkarlekar18@gmail.com

The paper and its abstract should be typed in MS-Word, Times New Roman. Title size 14 and remaining text size 12, with 1.5 lines spacing

## \*Registration Fees

(will include conference kit along with Breakfast, Lunch and Tea.)

Participants	Rs. 2500/-
Research Student Participants	
Ph.D.	Rs. 2000/-
M.Phil	Rs. 1500/-
Other Students	Rs. 1000/-

Late Registration Fee Rs. 1000/-

(In addition to regular registration fee)

## Important Dates (Delegates/Participants)

Last date for submission of Abstract of oral Presentation / poster presentation (along with registration fee)	31 <sup>st</sup> Dec 2013
Submission of full Paper	15 <sup>th</sup> Jan 2014
Last date for registration with late fee	25 <sup>th</sup> Jan 2014

The registration fee shall be paid in the form of Cash or Demand Draft, drawn in favour of **Registrar, Tilak Maharashtra Vidyapeeth, Pune**. Abstract and DD should be posted on the Department Address.

Accommodation can be arranged on request before 15<sup>th</sup> Jan

2014

Contact - Dr. Pradyumna Joshi  
(Contact No. 020-24403027 between 10.30 am to 01.00 pm.)

\* For registration form and tips on Poster Presentation please see Vidyapeeth's Website

## About Tilak Maharashtra Vidyapeeth

Tilak Maharashtra Vidyapeeth was established in 1921, as per the directions of Mahatma Gandhi, as the educational memorial of Lokmanya Tilak- the great patriot and leader of freedom struggle. Since its inception, the Vidyapeeth has focused on fulfillment of Lokmanya's dream of imparting national education to equip the students to contribute productively towards the development of a strong and modern India.

The Vidyapeeth has constantly catered to the changing needs of the student community without compromising on quality as its prime focus. In recognition of its contribution in the fields of Sanskrit, Ayurved, Social Sciences and Distance Education, the Government of India conferred the status of a Deemed to be University on the Tilak Maharashtra Vidyapeeth in 1987, in accordance with the provision in the University Grants Commission Act, 1956.

With the award of Deemed University status in 1987, the Vidyapeeth during the last 25 years has developed significantly. Today the Vidyapeeth has introduced courses in the field of Education, Engineering, Hotel Management, Journalism, Law, Management, Nursing, Physiotherapy and Earth Sciences.

## About Department of Earth Sciences

The Department of Earth Sciences (formerly Post Graduate Department of Geography) was established in 2004. The Department offers M.A. /M.Sc, M.Phil & Ph.D. in Geography. The department proposes to introduce Certificate courses in Photogrammetry, GIS and Remote Sensing.

In 2006, the department started with its Research program by offering M.Phil and Ph.D. courses. Today the admissions at the M.Phil and Ph.D. courses are purely based on the UGC regulations 2009. Many eminent scholars in the field of Geography and allied subjects form the backbone of the Department. The Department has till date to its credit 20 Ph.Ds and over 75 M.Phils.

## Achievements of the Department

The UGC funded major research project – 'Appraisal and Assessment of Juve Jaitapur mangrove swamps: Abiogeomorphic study' has been successfully completed in 2013. Dr. Umeh Keskar and Dr. Shrikant Karlekar worked as a Principal investigator and co-investigator respectively.

The Department conducts workshops and seminars annually. The Department has conducted field workshops at Ratnagiri and Alibag for better understanding of concepts in Earth Sciences. In March 2011 the Department conducted a two day workshop on- 'Formulation and submission of major and minor research projects'. Various seminars have been organized by the department which have benefitted not only the students of the Department but other students from various colleges. In March 2012, the Department organized a state level seminar on "Urban Sprawl and Geomorphology".

The Department aims to inculcate research aptitude in the students with emphasis on inter-disciplinary studies also.

**A NATIONAL CONFERENCE ON**

**Modern Trends In Coastal And Estuarine Studies**

**(Dept. of Earth Sciences, Tilak Maharashtra Vidyapeeth, Pune)**

**06<sup>th</sup> and 07<sup>th</sup> February 2014**

**TIPS ON POSTER PRESENTATIONS AT CONFERENCE**

*(The topic of poster presentation should be strictly related to main theme or subthemes of the conferences)*

1. Poster size should not exceed 1m by 1m size.
2. The poster should have following sections:
  - Heading and name of the author
  - Introduction
  - Methodology
  - Results
  - Findings and Discussion
  - References
3. Do not use ALL CAPS.
4. Do not overwhelm the reader giving too much information.
5. Use bullets.
6. Make it aesthetically pleasing.
7. Avoid background graphics.
8. Use a minimum font size of 18.
9. You can transport your poster using cardboard tubes.
10. The Dept of Earth science would like to retain and display your poster after the conference, with your consent.
