

BEST PRACTICES

During the last five years, the Department has introduced several innovative practices that created a positive impact on the functioning of the Dept. that resulted in yielding the best outcomes.

Some of the innovative practises are detailed here below :

1. Twining Theory with Practice :

For fostering professional expertise and Global competencies among the students, and to provide a lab to land experience thus to provide a closer relationship between the ‘world of competent-learning’ and the ‘world of skilled work’, the following methods are adopted such as :

- **VISITS**

- Supreme Court
- High Court
- District Court
- Consumer Forum
- Police Station Visit
- Jail
- Women’s Open Jail
- Bio-Medical Waste
- Treatment Plant
- Forensic Lab
- Family Court

- **OTHER PRACTICES**

- Moot Courts
- Mock Trials
- Simulation classes
- Legal aid campus

2. Weekend workshops on contemporary, socio-legal cross cutting issues :

The Dept. is extremely instrumental in sensitising the students on contemporary socio-legal cross cutting issues relevant to general, environment and Sustainability, Human Rights, Animal Rights, Rights of Vulnerable Groups including LGBTQ, senior citizens, children, etc.

The Dept. provides an ambience which instils a robust sense of professional values to build a community conscious and committed to use law as means of social welfare by way of conducting the above workshops. The workshops help in inculcating a sense of responsibility towards the society and respect for human life. The objective outcome of the workshops is to prepare conscientious and competent members for the legal profession.
