

Looking back, I am glad that I chose to study at the Lokmanya Tilak Law College, Pune for pursuing my dream of entering the Legal profession. Though established recently in the year 2012, the College has earned an excellent reputation in this short span of time. The faculty at the college, apart from being knowledgeable, is also very friendly and accessible. In addition to conducting regular lectures, the college arranges vibrant activities like conducting National Seminars on the burning issues of legal importance, holding State Level Moot Court Competitions, conducting study tours, arranging guest lectures of eminent speakers and many other activities. These activities broaden the vision of students.

I will always remain deeply indebted to the Tilak Maharashtra Vidyapeeth and to the College not only for the excellent grooming I received in the field of Law but also for the values and teachings of luminaries like Lokmanya Tilak and others that influenced me during my stint at the Vidyapeeth. Established on 6<sup>th</sup> May 1921 in memory of the Legendary Lokmanya Tilak, the Vidyapeeth is at the threshold of celebrating 100 years of its glorious existence.

My best wishes to the Vidyapeeth and to my beloved College.

K. P. Shroff  
Student,  
LLB – III (2019-20 Batch)
