

As I sit down to pen down some parting thoughts, it gives me great pleasure to say with pride that I have completed my LLB- 3 Years Course from Tilak Maharashtra Vidhyapeeth. I would like to express my sincere gratitude to Tilak Maharashtra Vidhyapeeth and their faculties for helping me at each and every step of my professional Career and my dream to be a lawyer. From those early morning lectures to those late night assignment submissions, from those surprise tests to those Moot Courts, I walked across a new life with the wonderful acquaintance of faculties. I got an opportunity to learn many new things. It was due to the supportive nature of faculties that I could excel in my studies. The simplicity in explaining a particular subject is what makes the faculties' expert in their fields.

I appreciate the learning environment and excellent infrastructure which motivated me to grow as a better person to face the professional challenges in real life. Never did I ever feel that it was impossible to understand and grasp any legal topic. Not only did it help me improve my academics but also did I improved my communication and leadership skills. I am glad to be a student of such an esteemed University. I will always be indebted to the University and the faculties for their supportive nature.

I am thankful and proud to be part of this University.
